

## How to complete your waiver:

Choose the "Player" option. Next click "join a team" a dropdown menu will appear. **Please ensure you select the correct team.** This way your waiver is connected to the correct team account and ensures the team contact will receive notification that you have completed your waiver. Complete and sign the form. When you have finished this form, please ensure you select "SAVE REGISTRANT". You then must choose to "ADD REGISTRANT" or "PROCEED TO FINAL STEP". Once you "PROCEED TO FINAL STEP", a new page will appear. You must enter your email and hit submit.

**(If you do not see a confirmation page and receive an email, your waiver was not submitted correctly.)**
