What is Pacesetter?

Pacesetter Sports is an organization that was created in 1980 to teach championship basketball to players in their own gyms through summer camps. Pacesetter camp directors were state champions who love teaching kids. Pacesetter added tournaments in 1993. In 47 years Pacesetter has provided over 3,000 camps and 3,000 tournaments.

What is the Pacesetter Great Five-State Championship?

In 2010, Pacesetter introduced the Great Four-State Championship system for youth basketball teams in Minnesota, South Dakota, North Dakota, and Iowa. The top two teams in each state tournament for each grade/gender group were invited to advance to the "Great State" championships at the Target Center in Minneapolis. Teams played for the over-all four-state title in an 8-team bracket from 2010-2017. Wisconsin joined in 2018 to make it the Pacesetter Great Five-State Championship. Great State games are held in conjunction with MN Lynx games and supported by the MN Timberwolves.

Who can play? "Hometown Team" Focus

The Pacesetter playoff system is geared toward developing "hometown teams" that will be playing together in high school. All players on each team must either live in or attend school in the same city, or cities that are part of the same school district. Smaller schools from the same area may combine if combined enrollment for grades 9-12 is under 400.

What teams receive the MN State, MIT and Great State invites?

Region champions and runners-up will get a MN State invitation. Other top region teams will get MIT invitations. MN State champions and runners-up receive Great Five-State invitations.
